CAREER OBJECTIVE

Computer Science undergraduate skilled in Java, Data Structures, Algorithms, Object-Oriented Programming and Full Stack Development. Experienced in building software applications and solving 1100+ coding problems, with strong problem-solving and software development skills.

EXPERIENCE

AICTE EduSkills Virtual Internship – Java Full Stack Developer

Jan 2026 – Mar 2026

- Completed a 10-week Java Full Stack internship covering Java, Spring Boot, Hibernate, MySQL, HTML, CSS, JavaScript and Git.
- Built web application components using Java, Spring Boot and MySQL while applying OOP, database integration and version control concepts.

EDUCATION

Ace Engineering College

B.Tech in Computer Science and Engineering — CGPA: 9.36

Government Junior College

Intermediate (MPC) — Percentage:97.8

Hyderabad, India

June 2024 – June 2028

Telangana, India

June 2022 – June 2024

PROJECTS

- Banking System Application** — Java, Spring Boot, MySQL, Hibernate
Developed a banking system supporting account management, deposits, withdrawals, fund transfers, transaction history, REST APIs and database integration using layered architecture.
- ATM User Interface** — Java, OOP
Console-based ATM simulator supporting balance inquiry, deposits, withdrawals and transaction validation.
- Student Management System** — Java, Collections
CRUD-based application for managing student records using ArrayList and modular class design.
- Student Grade Calculator** — Java
Calculates grades, percentages and performance summaries for students.
- Hotel Reservation System** — Java, OOP
Reservation management system for room booking and customer management.
- Stock Trading Platform** — Java
Simulates stock transactions, portfolio tracking and profit/loss calculations.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL

Frameworks: Spring Boot, Hibernate

Web Technologies: HTML, CSS

Database: MySQL

Core CS: Data Structures, Algorithms, OOP, DBMS, Operating Systems

Tools: GitHub, VS Code

ACHIEVEMENTS

- Solved 433+ problems on LeetCode, 178+ problems on GeeksforGeeks and 500+ coding problems across competitive programming platforms.
- Earned 4-Star Java Badge and Java (Basic) Certification on HackerRank.
- Completed AICTE EduSkills Java Full Stack Internship and Gradious Java & DSA Training.
- Top performer in Java and Data Structures training conducted by Gradious at ACE Engineering College.
